The samples won't delay  
But the cable  
There's another way  
Say something, anything

Test, one, two, three  
Anything but that

This is weird  
It's weird, very weird  
Fuckin' weird  
I'm so mad that I don't know what to do

Fighting with microphones  
Freezing down to my bones  
And to top it all off  
I'm with you

Feel like going insane?  
Got a fire in your brain?  
And you're thinking  
Of drinking gasoline?

As a matter of fact  
Honey, I know this act  
It's called  
The 'Tango Maureen'

The Tango Maureen  
It's a dark, dizzy merry-go-round  
As she keeps you dangling  
You're wrong, you're heart she is mangling

It's different with me  
And you toss and you turn  
'Cause her cold eyes can burn  
Yet you yearn and you churn and rebound

I think I know what you mean  
The Tango Maureen

Has she ever pouted her lips

And called you 'Pookie'? Never  
Have you ever doubted a kiss or two?  
This is spooky

Did you swoon when  
She walked through the door?  
Every time  
So be cautious

Did she moon  
Over other boys?  
More than moon  
I'm getting nauseous

Where'd you learn to tango?  
With the French Ambassador's daughter  
In her dorm room at Miss Porter's  
And you?

With Nanetter Himmelfarb  
The Rabbi's daughter at  
The Scarsdale Jewish  
Community Center

It's hard to do this backwards  
You should try it in heels

She cheated  
She cheated  
Maureen cheated  
Fuckin' cheated

I'm defeated  
I should give up right now  
Gotta look on the bright side  
With all of your might

I'd fall for her still anyhow  
When you're dancing her dance  
You don't stand a chance  
Her grip of romance makes you fall

So you think, might as well  
Dance a tango to hell  
At least I'll have tangoed at all  
The Tango Maureen

Gotta dance 'til your diva is through  
You pretend to believe her  
'Cause in the end, you can't leave her  
But the end it will come

Still you have to play dumb  
'Til you're glum and you bum and turn blue

Why do we love when she's mean?  
And she can be so obscene

My Maureen  
The Tango Maureen
