Without you, the ground thaws
The rain falls, the grass grows
Without you, the seeds root
The flowers bloom, the children play

The stars gleam, the poets dream
The eagles fly, without you
The earth turns, the sun burns
But I die, without you

Without you, the breeze warms
The girl smiles, the cloud moves
Without you, the tides change
The boys run, the oceans crash

The crowds roar, the days soar
The babies cry, without you
The moon glows, the river flows
But I die, without you

The world revives, colors renew
But I know blue, only blue
Lonely blue, within me blue
Without you

Without you, the hand gropes
The ear hears, the pulse beats
Without you, the eyes gaze
The the legs walk, the lungs breathe

The mind churns, the heart yearns
The tears dry, without you
Life goes on, but I'm gone
'Cause I die without you
Without you, without you
Without you
