If he was from Venus, would he feed us with a spoon?  
If he was from Mars, then that be cool  
Standing right on campus, would he stamp us in a file?  
Hangin' down in Memphis all the while

(Chorus)

Children by the million sing for Alex Chilton when he  
comes 'round  
They sing "I'm in love. What's that song?  
I'm in love with that song."

So we will/Cerebral rape and pillage in a village of his  
choice.  
Invisible man who can sing in a visible voice.  
Feeling like a hundred bucks, exchanging good lucks  
face to face.  
Checkin' his stash by the trash at St. Mark's place.

(Repeat chorus)

I never travel far, without a little Big Star

(Instrumental break)

Runnin' 'round the house, Mickey Mouse and the Tarot  
cards.  
Falling asleep with a flop pop video on.  
If he was from Venus, would he meet us on the moon?  
If he died in Memphis, then that'd be cool, babe.

(Repeat chorus)
