All that we've been through
All that we've been through
Together now or never

Got no time
And got no wife
Got to be on my time
I don't mind
Got no women
Got no Joey
Got no women
Who ain't got nosy

I ain't got the time
For all that we've been through
All that we've been through
All that we've been through
Together now or never
Through together
It's true
You're pretty when you're rude
It's true
You're pretty when you're rude
It's true

Got no time to call it off
I'm drinking all the wine
Just because you are mine
Got no time to call you sweetie
U know you're my number 2
Just because you are u

Now all that we've been through
For all that we've been through
Through
Together now or never
Through together
It's true
You're pretty when you're rude

It's true
You're pretty when you're rude

Why don't you just come right out and tell me I'm a
bore
And I don't even like you lady the way I liked you before
For all that we've been through
All that we've been through
All that we've been through
Together now or never
Through together
It's true
You're pretty when you're rude
It's true
You're pretty when you're rude
