Baby don't understand
Why we can't just hold on
To each others hands... Hands...
Cause this time won't be the last I fear
Unless I make it all too clear
I need you so... Oh...

So, take these broken wings
And learn to fly again
Learn to live so free
Because we hear the voices sing
The book of love will open up and let us in

So, take these broken wings
And learn to fly again
Learn to live so free
Because we hear the voices sing
The book of love will open up and let us in

Baby, I think tonight
We can take what was wrong
And make it right... Oh...
(Tonight we can just take what's wrong
And make it turn out right, yeah)
Cause baby it's all I know
That your half of the flesh and blood
That makes me whole yeah, yeah, yeah. Yeah...

So take these broken wings
And learn to fly again
Learn to live so free
Because we hear the voices sing
The book of love will open up and let us in

So take these broken wings

And baby it's all I know
That your half of the flesh and blood
That makes me whole yeah, yeah, yeah. Yeah...

So, take these broken wings

And learn to fly again
Learn to live so free

So, take these broken wings
And learn to fly again
Learn to live so free
Because we hear the voices sing
The book of love will open up and let us in
