(???) call the prisoners and a hat a stay career
Standin' on a chimney with just a little wink
Movin' outside, bombin' on a truck
Coolin' down, lookin' for a fuck
Bundle, bundle, bundle bundle up
Bundle, bundle, bundle bundle up
Bundle, bundle, bundle bundle up
Bundle, bundle, bundle bundle up
Gator and a hippo they were sharin' a scarf
Bundle, bundle, bundle bundle up
Stockings were hung by the chimney with care
Santa in the bathroom was a-combin' his hair
The elves and Rudolph they was a-shootin' up junk
Not a creature was stirrin' 'cause they all was drunk
Bundle, bundle, bundle bundle up
Bundle, bundle, bundle bundle up
Bundle, bundle, bundle bundle up
Bundle, bundle, bundle bundle up
Gator and a hippo they was sharin' a scarf
Bundle, bundle, bundle bundle up
And I was walkin' through the jungle just the other night
I was afraid I might get frostbite
Everyone was sharin' a harp
Everyone was cold but I was a little sharp
Bundle, bundle, bundle bundle up
Bundle, bundle, bundle bundle up
Bundle, bundle, bundle bundle up
Bundle, bundle, bundle bundle up
Gator and a hippo they was sharin' a scarf
Bundle, bundle, bundle bundle up
I said I
Bundle, bundle, bundle bundle up
Bundle, bundle, bundle bundle up
Bundle, bundle, bundle bundle up
Gator and a hippo they was sharin'....
Bundle, bundle, bundle bundle up
