Don't wanna waste another,
Day, Second more...
You've opened up my eyes and now,
It's so easy to listen, Their opinion is flawed,
You used to write me off...

'Cause I feel, It's so clear,
I can change, In the wind,
Wind...

I can tell you're, Not the fighting kind,
So give me your heart tonight,
I can see why, You get left behind,
So give me your heart tonight...

Sticks are just sticks,
Stones just stones,
And names, They're never gonna hurt you,
They're never gonna hurt you,
Talk is talk, Blame just blame,
The truth - They don't deserve you...

'Cause I feel, It's so clear,
I can change, In the wind,
Wind...

I can tell you're, Not the fighting kind,
So give me your heart tonight,
I can see why, You get left behind,
So give me your heart tonight...

I can tell you're, Not the fighting kind,
So give me your heart tonight...

I can see why, You get left behind,
So give me your heart tonight,
Give me your heart, I can tell you're,
Not the fighting kind,
Give me your heart, I can see you're,
Give me your heart, I can see, tell you're,
You get left behind,

Give me your heart, I can see you're...
