Cold, I'm never cold,
I'm not old, old is this disguise,
And you say more than I need to hear at this time,
Not my skin, is standing in, helpless (helpless to say)
I can't hold this weight...

You're laying a life in these,
These hands are fragile,
Take this please,
Some things you can't replace,
Things you can't replace, please,
These hands are fragile...

Cold, cold's the lifestyle,
I'm told, all the tales of the inside,
You never know, that I saved a life, this time,
Not my skin, is standing in, you'll be helpless...

You're laying a life in these,
These hands are fragile,
Take this please,
Some things you can't replace,
Things you can't replace, please,
These hands are fragile,
These hands are fragile...

Just a picture,
Just a memory,
You had to capture your goodbye,
You almost said goodbye,
Goodbye...

You're laying a life in these,
These hands are fragile,
Take this please,
Some things you can't replace,
Things you can't replace, please,
These hands are fragile,
These hands are fragile...

You're laying a life in these,

These hands are fragile,
Take this please,
Some things you can't replace,
Things you can't replace, please,
These hands are fragile,
These hands are fragile...
