All of the madness surrounding this,  
Take down the walls keeping this alone,  
They say the truth it could set us free,  
Well maybe we should wait and see,  
'Cause you are the shoelace,  
Hanging from my rearview,  
Won't ever look back and see you,  
With all of the secrets surrounding me,  
I wanna shout it out...

Shout it out, Shout it out my way,  
We've get nothing nothing,  
But we've both got something to say,  
Shout it out, Shout it out my way,  
We've get nothing nothing,  
But we've both got something to say,  
If someone is listening,  
Are you listening?

'Cause there is so much they'll say,  
You and I have been misplaced,  
I'm just a suitcase, I've never been cleaned,  
Never had a hand come and pick me up,  
And take me somewhere,  
A new place, Somewhere with a clear view,  
Maybe with you...  
If only we...

Shout it out, Shout it out my way,  
We've get nothing nothing,  
But we've both got something to say,  
Shout it out, Shout it out my way,  
We've get nothing nothing,  
But we've both got something to say,  
If someone is listening,  
Are you listening?

Shout it out, Shout it out my way,  
We get nothing nothing,  
But we've both got something to say,  
Shout it out, Shout it out my way,

We get nothing nothing,  
But we've both got something to say,  
Shout it out, Shout it out my way,  
We've got nothing nothing,  
But we've both got something to say,  
Shout it out, Shout it out my way,  
We've got nothing nothing,  
But we've both got something to say,  
If someone is listening,  
Are you listening?

I'm just a suitcase, I've never been cleaned,  
You are the shoelace,  
I'm just a suitcase, I've never been cleaned,  
I'm just a suitcase, I've never been cleaned,  
Are you listening?
