If the lights in the sky are anything to go by,  
We're lost.  
'Cause the compass inside is always leading me away.

If the lights in your eyes are anything to go by,  
We're lost.  
I feel struggle inside, And push the struggle aside,  
But I know, I know.

Call it off, Call it off,  
Keep on searching,  
But we'll never find it,  
Call it off,  
Keep on searching 'cause we know we're lost,  
Off...

The streets are alive,  
With people driving tonight,  
For love.  
I can't find you, I, Can't find you,  
Put the engines in drive,  
So I'll take it in strides  
And ruuuuuun...

Call it off, Call it off,  
Keep on searching,  
But we'll never find it,  
Call it off,  
Call it off, Call it off,  
Keep on searching 'cause we know we're lost,  
Off...

'Cause I want to, If we had the spark,  
I could light my own way,  
To you,  
I'll find you.

Call it off, Call it off,  
Keep on searching,  
But we'll never find it,  
Call it off,

Call it off, Call it off,  
Keep on searching 'cause we know we're lost,  
Off...

Call it off, Call it off,  
Keep on searching,  
But we'll never find it,  
Call it off,  
Call it off, Call it off,  
Keep on searching 'cause we know we're lost,  
Off...

'Cause I want to, If we had the spark,  
I could light my own way,  
To you,  
I'll find you...
