Colourful majestic, Peaceful warm,
Beautiful electric, Eye of the storm...

You're the notes, That I couldn't sing, Yeah,
A Japanese film, You're a Japanese queen, Yeah,
Colourful majestic, Peaceful warm,
Beautiful electric, Eye of the storm...

Speak to me, Through silence...

You lay somewhere, Beyond my reach, Yeah,
Somehow awake, In this permanent sleep, Yeah,
Colourful majestic, Peaceful warm,
Beautiful electric, Eye of the storm...

Speak to me, Through silence,
And speak to me through, tears,
And levitate, the violence,
I'll ease your...

Colourful majestic, Peaceful warm,
Beautiful electric, Eye of the storm,
Oh, Colourful majestic, Peaceful warm,
Beautiful electric, Eye of the storm...

It's what I missed, What I'm missing, Yeah,
It's what I said, But not to you, Yeah...

Colourful majestic, Peaceful warm,
Beautiful electric, Eye of the storm...

Speak to me, Through silence,
And speak to me, Through tears,
And levitate, the violence,
I'll ease your, FEAR!
