"The Collapse"

I'm gonna be the bigger man,
I'm gonna leave this where it stands,
Always forgive, but remember.

One from far and wide,
Don't trust you'll take the ride,
But I was the one, the defender.

I saw from the sidelines...

I saw your collapse,
I saw your charade,
And I'm watching you lose your own game.

Was I just another piece?
A place to plant your feet?
I will forgive, but remember.

Remember who you left,
And lay them in your bed,
Forever the one, the pretender.

'Cause I see the coward in you...

I saw your collapse,
I saw your charade,
And I'm watching you lose your own game,
I saw the wind, blow a gale, watch you run.

I was somewhere else then,
You were someone else,
I'm somewhere else now,
You were someone else,
How?

I saw your collapse,
I saw your charade,
And I'm watching you lose your own game,
I saw the wind, blow a gale, watch you run,
I saw the wind, blow a gale, watch you run.
