If the lights in the sky are anything to go by,
We're lost.
'Cause the compass inside is always leading me away.

If the lights in your eyes are anything to go by,
We're lost.
I feel struggle inside, And push the struggle aside,
But I know, I know.

Why don't we just question,
All these simple answers?
Is it enough to be happy?
Is it enough? Woah-uh-oh

The streets are alive,
With people driving tonight,
For love.
I can't find you, I, Can't find you,
Put the engines in drive,
So I'll take it in strides
And ruuuuuun...

Why don't we just question,
All these simple answers?
Is it enough to be happy?
Is it enough? Woah-uh-oh

'Cause I want to, If we had the spark,
I could light my own way,
To you,
I'll find you.

Why don't we just question,
All these simple answers?
Is it enough to be happy?
Is it enough? Woah-uh-oh

Why don't we just question,
All these simple answers?
Is it enough to be happy?
Is it enough? Woah-uh-oh

'Cause I want to, If we had the spark,
I could light my own way,
To you,
I'll find you...
