My momma said to me  
Do you really love that guy?  
Does he ever make you cry?

Rain falling from the sky  
Bluebirds, they don't fly  
The stars, they're not so bright  
The moon caved in at night  
It seems the whole world dies  
Whenever a teenager cries  
(When she cries)

Tears for the one you love  
Were sent to heaven above  
In hopes they'd be some day  
True love will come your way  
Our tears will fill my eyes  
Whenever a teenager cries

Oh what wrong have I done to you  
To make me cry the way that I do  
I need you my darling  
I love you so  
Oh come back to me  
And I'll never let you go

Rain falling from the sky  
Bluebirds, they don't fly  
The stars, they're not so bright  
The moon caved in at night  
It seems the whole world dies  
Whenever a teenager cries  
(When she cries)  
Whenever a teenager cries  
(When she cries)  
Whenever a teenager cries
