All he wants to do is fish  
All he wants to do is fish  
Don't have a home  
Don't have a name  
He don't know fortune  
And he don't know fame  
All he wants to do is fish  
All he wants to do is fish  
Don't want a job  
A job may ruin his life  
He only wants a woman  
Who can be his fishin' wife  
All he wants to do is fish  
All he wants to do is fish  
For some it takes a lot  
To make their life whole  
But all he needs is water and  
His fishing pole  
All he wants to do is fish  
All he wants to do is fish  
You can call him Himey  
You can call him Stan  
You can call him stupid  
'Cause it's probably what he am  
Hot dog, yippee-ai-oh  
He's got his welfare check  
And some Wild Irish Rose  
Mr. hooky man has a hole in his head  
And if he never lets go  
He won't care  
Loogeys, bottle bass, crawfish and trout  
He can't help it, that's all he thinks about  
High fishing, fly fishing, fishing in the stream  
And when he goes to sleep at night  
He's fishing in his dreams  
All he wants to do is fish  
All he wants to do is fish  
For some it takes a lot to make their life whole  
But all he needs is water and  
His fishing pole  
All he wants to do is fish  
All he wants to do is fish
