I always flirt with death  
I could kill, but I don't care about it  
I can face your threats  
Stand up tall and scream and shout about it

I think I'm on another world with you  
Well, I'm on another planet with you

You always get under my skin  
I don't find it irritating  
You always play to win  
Well, I don't need rehabilitating

Well, I think I'm on another world with you  
With you, I'm on another planet with you

Another girl, another planet  
Another girl

Space travels in my blood  
And there ain't nothing I can do about it  
Long journeys wear me out  
Oh God, we won't live without it

I think I'm on another world with you  
I'm on another planet with you

Another girl is loving you now  
Another planet is loving you now  
Another planet
