You press your luck
Up against his body
Now you're stuck
But you like it down and dirty

You don't care
Where the hell you're goin'
Anywhere
Is better than goin'

Anywhere is better than
Anywhere is better than
Anywhere is better than
Anywhere is better than here

Your hair is black
Because you taint it
Your life's a joke
So tell me, ain't it?

Anywhere is better than
Anywhere is better than
Anywhere is better than
Anywhere is better than here

You press your luck
But you don't care
They play with your head
But they never stroke your hair

Anywhere is better than
Anywhere is better than
Anywhere is better than
Anywhere is better than here

Anywhere
Anywhere is better than
Anywhere is better than
Anywhere is better than

Anywhere, anywhere
Anywhere, anywhere

Anywhere, anywhere
