Summon through a keyhole  
In a lunchbox for three  
Take me to your followers  
Swings and police  
You can't see the weather  
You've got to pull the blinds  
Tellin' you questions  
Askin' me lies

Well the rich are gettin' richer  
An' the poor are gettin' drunk  
In a black and white picture  
There's a lot of gritty funk  
Man, you're hittin' their roads  
And hittin' their streets  
Won't be hard to find  
Tellin' you questions  
Askin' me lies

Happy birthday  
Whosever birthday it is today  
Born yesterday  
It's a wonder you're still alive

They're tellin' you questions  
An' they're askin' me lies

Little Boy Zoo  
An' the rock with his helpful friends  
Butterfly train  
Never ends, never ends  
At a Mexican barmitzvah  
For seven hundred years  
Tell this way  
You're gonna drive right by  
Tellin' me lies  
Askin' me lies  
Tellin' you questions  
Askin' me lies

Happy birthday

Whosever birthday it is today  
All the saints spittin' in  
Down comes fire  
Tellin' you questions  
Askin' me lies
