Yea kid, it's a really hip  
With plenty of flash and you know it  
Yea Dad, you're rocking real bad  
Don't break your neck when you fall down laughing  
Donna, wanna, donna

Yea I know, I look like hell  
Smoke and I drink and I'm feeling swell  
Yea, I hear you think it's weird  
But I don't give a single shit

Yea man, it's a hip when y'all say it  
It's a hip when y'all say it and I hear it  
My heart aches, it's a looking for a dolly  
Looking for a dolly can't you hear it  
Wanna be something, wanna be anything

Yea I know, I feel this way  
But I ain't gonna never change  
Yea I hear, I think, I know  
Rock don't give a shit, you know

You're my favorite thing  
And you're my favorite thing  
Bar nothing

[Incomprehensible]

Ahh my favorite thing  
You're my favorite thing  
You're my, you're my  
You're my, you're my  
Favorite thing

I think, think, I think, think  
I think, think once in a while  
I think, think, I think, think  
I think, think once in a while  
I think, think, think  
I think, think, think  
I think, think, I think once in a while
