Hey, yeah, c'mon

C'mon little Gary, get your head on right
C'mon little Gary, get your head on straight
You're gonna get her down
You're gonna finger to her
You're gonna suck me down
You're gonna see her out

Forget about the lights, girl, and the cars
You never heard somebody so far
Grab a hold, gonna hold
You're gonna stick it to her
You're gonna stick it to her

Gary got a boner
'Cause Gary's got a boner
Gary got a boner
Gary's got a boner, now

Lock up the door
Roll up that window
Tell your sister just [incomprehensible]
I [incomprehensible] know if I will
You're gonna stick it to her
Yes, you're gonna stick it to her

Gary got a boner
Gary's got a boner
Gary's got a soft-on
Well I want long, long, long, long
Let it go

You know

'Cause Gary got a boner
Gary got a boner
Gary's got a boner
Gary's got a boner
Long long, long long, long long
Long long long long
Long long long

Gary's got a
Gary's got a boner
