"I Bought A Headache"

And all I had needed was
Just a breath of fresh air
I want a, I want a folding chair

St. Paul Civic Center
Giving me a eight dollar and fifty cent
I bought a headache
I bought a headache
Headache

Smoking marijuana that's comin' out of my ears
A long haired girl shakin' way past her years
So come on, c'mon
So come on, c'mon

Eight dollar and fifty cent
I bought a headache
I bought a headache
Headache

I bought a

St. Paul Civic Center
I want a eight dollar and fifty cent
I bought a headache
I bought a headache
I bought a headache

{All right, thank you
Everybody feel alright?
Party alright
Everybody happy?
Just a applause}
