Do we give it up? (I don't know)  
Should we give it hell? (I don't know)  
Are you makin' a fortune? (I don't know)  
Or don't you wanna tell? (I don't know)  
Should we give it up? (I don't know)  
Or hang around some more? (I don't know)  
Should we buy some beer? (I don't know)  
Can I use your hairspray?

One foot in the door, the other foot in the gutter  
The sweet smell that you adore, yeah I think I'd rather smother.

Should we top it off? (I don't know)  
It's startin' too slow. (I don't know)  
Who's behind the board? (I don't know)  
They tell me he's a dope. (I don't know)  
What the fuck you sayin'? (I don't know)  
Our lawyer's on the phone. (I don't know)  
How much are you in for? (I don't know)  
What did we do now?

One foot in the door, the other one in the gutter  
The sweet smell that they adore, I think I'd rather smother

One foot in the door, the other one in the gutter  
The sweet smell that they adore, well I think I'd rather smother

Are you guys still around? (I don't know)  
Whatcha gonna do with your lives? (Nothin')

One foot in the door, the other one in the gutter  
The sweet smell that you adore, hey I think I'd rather smother

One foot in this door, the other one in the gutter  
The sweet smell that they adore, oh I think I'd rather smother
