If there's a temporary lull  
Why'm I bored right outta my skull  
Man, I'm dressin' sharp an' feelin' dull

Lonely, I guess that's where I'm from  
I was from Canada  
Well, I best become unstunned

And if it's just a game  
Then I'll break down just in case  
Oh yeah, we're runnin' in our last race

Well, I laughed half the way to Tokyo  
I dreamt I was Surfer Joe  
An' what that means I don't know

A dream too tired to come true  
Laughed a rebel without a clue  
And I'm searching for somethin' to do

And if it's just a game  
Then we'll hold hands just the same  
So what, we're bleeding but we ain't cut

And I could purge my soul perhaps  
For the imminent collapse  
Oh yeah, I'll tell you what we could do

You be me for a while and I'll be you

A dream too tired to come true  
Laughed a rebel without a clue  
Won't you tell me what I should do

And if it's just a lull  
Why'm I bored right outta my skull  
Oh yeah, keep me from feeling so dull

And if it's just a game  
Then we'll break down just in case  
Then again, I'll tell you what we could do

You be me for a while  
You be me for a while You be me for a while and I'll be  
you
