I'm not sayin' that I love you
I'm not sayin' that I'll care if you love me
I'm not sayin' that I'll care
I'm not sayin' I'll be there if you want me

I can't give my heart to you
Or tell you that I'll sing your name on to the sky
I can't promise to be down
That I'll always be around if you need me

I may not be alone each time you see me
Out in the street or in a small cafe
But still I won't deny you or mistreat you
Baby if you let me have my way

I'm not sayin' I'll be sorry
For all the things that I might say that make you cry
I can't say I'll always do
The things you want me to
I'm not sayin' I'll be true but I'll try

I may not be alone when you see me
Or show up when I promised I would
But still I won't deny you or mistreat you
Baby if you love me like you should

I'm not sayin' I'll be sorry
For all the things that I might say that make you cry
I can't say I'll always do
The things you want me to
I'm not saying I'll be true but I'll try

I can't say I'll always do
The things you want me to
I'm not saying I'll be true but I'll try

I'll try
