?? motor gets in
The television set's in
Every home
Popular mass illusion
Hollywood sex-titution
In every home

Plug it in
Turn it on
Get up
Kick it in, kick it in
Plug it in
Turn it on
Get up
Kick it in, kick it in
Plug it in
Turn it on
Get up
Kick it in

Everyone's right to power
Build 'em every hour, oh
Till I'm barrel gun
I feel that trigger push on
Every home

Plug it in
Turn it on
Get up
Kick it in, kick it in
Plug it in
Turn it on
Get up
Kick it in, kick it in
Plug it in
Turn it on
Get up
Kick it in

In your home is a box
And clean baby socks

That keeps imagination
Such an education

?? motor sucked in
Two television sets in
Every home
?? what's your message?
I'd die for a sandwich

Plug it in
Turn it on
Get up
Kick it in, kick it in
Plug it in
Turn it on
Get up
Kick it in, kick it in
Plug it in
Turn it on
Get up
Kick it in
Plug it in
Turn it on
Get up
Kick it in, kick it in
Plug it in
Turn it on
Get up
Kick it in, kick it in
Plug it in
Turn it on
Get up
Kick it in
