{Go home
This is the Minneapolis Police
The party's over
If you all just grab your stuff and leave
There won't be any hassle
The party's been closed
The party's over with, grab your stuff and go
Then nobody goes to jail}

1, 2, 3, 4

Kids won't listen
To what you're sayin'
the kids ain't wondering
Kids ain't praying

Mo says he's worried
He says talk away
He says
"Yeah I've been cured"

I need some attention
No house of detention
I'd love some attention
Don't start again

Kids don't need that
Kids don't want that
Kids don't need
Nothing of the kind

Kids don't follow
What you're doin'
In my face out my ear
Kids won't follow
What you're sayin'
We can't hear

Can't stop looting
Can't stop smoking
But kids ain't wondering
Can't stop choking

Kids won't stand still
Kids won't shut up
Kids won't do it
You talk to 'em now

Kids don't follow
What you're doin'
In my face and out my ear
Kids won't follow
What you're sayin'
We can't hear

Kids won't follow
What you're sayin'
In my face out my ear
Kids don't follow
What you're sayin'
We can't hear

What you say
Not tomorrow
Not today
