Oh, oh  
Were you whispering a  
Secret to him in his mouth  
Or were you reassuring him  
In the battle of the sexes  
There ain't no doubt

Kissing in action, a call to arms  
Can't fight the attraction  
K-k-k-kissing in action

Oh, oh  
Combat hand to hand  
Don't you wait for your mandolin fleece  
Warfare, well i'm fair  
When you're out of v.c.'s

I wait for you, i fight for you  
I got to lose, i got to do  
I wait for you, i wait no more

Oh, oh  
Search parties call home  
I'm meeting you in the combat zone

Kissing in action  
Oughta get love (p. westerberg)
