Well I met her in a bar  
Like I always say  
She was digging Tommy's cute  
Way down in FLA

Wearing that vest with nothing underneath  
Looking her best in the Florida heat  
Sent a message to the boys  
She was wearing that vest with nothing underneath  
She be looking her best in the Florida heat, yeah  
Sent a message to the boys

Well, she couldn't cut loose  
With her mommy around  
So she packed her pretty bags  
Went to the run-away town

Used to call me late at night  
Said she missed her little maid  
I never asked twice how the bills got paid  
She sent a message to the boys

Used to call me every night  
Said she missed her little maid  
Never ever asked twice how the bills got paid  
Sent the message to the boys

She sent a message to the boys  
She's gonna be there, if you need her  
I can't forget her and her voice  
And her voice

Was a lady to the end  
Now to this I can attest  
She knew how to move  
Yeah, when she rock'n'rolled this

She sent a message to the boys  
She's gonna be there, if you need her  
I can't forget her and her voice

She sent a message to the boys

She sent a message to the boys  
God, I miss her and her voice

She sent a message to the boys  
She sent a message to the boys  
Oh god, I miss her and her voice
