Heartaches, on your wedding day
Double takes when they look my way
Knees quake, there ain't a shotgun in the place
You like the frostin', you just bought the cake
Your eyes can't fake
Still in love with nobody
And I won't tell nobody

The bridegroom
Drags you 'cross that room
Said I do
But honey you were just a kid
Your eyes said I did
Still in love with nobody
Nobody, nobody
And I won't tell nobody

Take a look
On your wedding night
In your wedding book
See what name I signed
Hey

Love nobody,
Nobody, nobody
Then nobody
Nobody, nobody, nobody

Repeat

Hips shake
To the band for old times sake
Now you make your get away
And you're waving to the stage
But on the last page says

Love nobody
Nobody, nobody
And I won't tell nobody
Nobody, nobody
That you're still in love with nobody
Nobody, nobody

And I used to be nobody
Nobody, nobody
Anymore
