Rock 'n roll loudmouth, \_\_\_\_\_  
Stroke another one down, right behind my back.  
Do us all a favor, get yourself a spine.  
Everybody's chokin' on the grapevine.

(chorus:)

Shootin' dirty pool, spewin' dirty lies.  
Shootin' dirty pool, spewin' dirty lies.

I heard it on the airwaves. I seen it in my class.  
{glass?}  
Get your money on the table. Get your head out of your  
ass.  
You're the coolest guy that I ever have smelt.  
I ain't a notch on nobody's belt.

(chorus)

Why don't you get a haircut, sister? That's it.
