Rock 'n' roll with loud mouth, spew in my glass
Stroke another one down, right behind my back
Do us all a favor, get yourself a spine
Everybody's chokin' on the grapevine

Loud mouth
Shootin' dirty pool, spewin' dirty lies
Shootin' dirty pool, spewin' dirty lies
Ohh

I heard it on the airwaves, I've seen it in my glass
Ahh get your money on the table, get your head out of
your ass
You're a coolest guy that I ever have smelt
Ain't a notch on nobody's belt
Do you vow?

Shootin' dirty pool, spewin' dirty lies
Shootin' dirty pool, spewin' dirty lies
Ohh

Why don't you get a haircut, sister?
That's it
Loud mouth

Shootin' dirty pool, spewin' dirty lies
Shootin' dirty pool, spewin' dirty lies
Ohh aah

Shootin' dirty pool, shootin' dirty pool
(Ahh)
Shootin' dirty pool, spewin' dirty lies
Ohh
(Lies)
