Out east they got heat  
But we got mosquitoes  
They got a west coast scene  
Lemme tell ya where the grass grows

Down south they get so drunk  
They think they're gonna piddle  
Ah, there ain't nowhere to go  
When you're stuck right in the middle

Nothing on the left  
Nothing on the right  
Nothing on the left  
Nothing on the right

Now, stuck in  
Stuck in the middle  
Stuck in  
Stuck in the middle

Burgers on the grill  
Oh, what a thrill  
I got a head full of teeth  
Got a pocket full of nothin'

Nothing on the left  
Nothing on the right  
Nothing on the left  
Nothing on the right

Stuck in  
Stuck in the middle  
Stuck in  
Stuck in the middle

Seventeen, eighteen  
Nineteen, twenty-one  
Stuck in the middle  
Lemme tell ya is some fun

Nothing on the left  
Nothing on the right

Nothing on the left  
Nothing on the right

Stuck in  
Stuck in the middle  
Stuck in  
Stuck in the middle
