...Right now
If there's reasons I should pray
Gonna get down on my knees
Toast the New Year's and
Praise this lord
?? and no ??
Yet I feel so out of place

If there's trouble on the way
Gonna face it right now
If there's reasons I should pray
Gonna get down on my knees
Time's too off this ball
Glad that summer is gone
Loneliness is what we've learned
Sometimes in every bridge we burn, yeah

If there's trouble on the way
Gonna face it right now
if there's reasons I should pray
Gonna get down on my...knees

Sometimes I don't wanna
Feel a thing at all
Nervousness is usually staged
When there's nothing wrong, I kissed ya
The taste in my mouth, yeah

Trouble on the way
Gonna face it right now
If there's reasons I should pray
Gonna get down on my knees
Down on my knees
Down on my knees
Down, down
Down, down
Down on my knees, yeah
I'm down on my knees
Down on my knees
Down on... on my knees
