So Sgt. Pepper took you by surprise
You better see right through that mother's eyes
Those freaks was right when they said, you was dead
The one mistake you made was in your head

Oh
How do you sleep?
Oh
How do you sleep?

You live with straights who tell you, you was king
Jump when your mamma tell you anything
The only thing you've done was yesterday
And since you're gone you're just another day

Oh
How do you sleep?
Oh
How do you sleep?

Oh
How do you sleep?
Oh
How do you sleep?
Sleep at night

A pretty face may last one year or two
But pretty soon they'll see what you can do
The sound you make is music to my ears
You must have learn't something all those years

Oh
How do you sleep?
Oh
How do you sleep?
Sleep at night
