Nathan:

Didn't I tell you not to go out, didn't I?

Shilo:

You did, you did...

Nathan:

Didn't I say the world was cruel, didn't I?

Shilo:

You did, you did...

Nathan:

Then tell me how this happened
What I did wrong, tell me why
Can't we just go home, Shi,
And forget this dreadful night?

Shilo:

Didn't you say that you were different, didn't you?

Nathan:

I am, I am

Shilo:

Say you aren't that person, say it

Nathan:

I am, I am!

Shilo:

Then tell me how to act, Dad,
What to say, Dad,
Tell me why!
All you've ever told me, every word,
Is a lie!
Didn't you say that you'd protect me, didn't you?

Nathan:

I tried, I tried...

Shilo:

Is that how you'd help me, is it?

Nathan:
I tried, I tried!

Shilo:
Don't help me anymore, Dad,
You are dead, Dad,
In my eyes.
Someone has replaced you
Dad, I hate you,
Go and die!

Nathan:
Didn't I build a house, a home, didn't I?
(You did, you did!)
Didn't I raise her all alone, didn't I?
(You did, you did!)
Then Rotti took her from me,
Stole my Shilo, he's to blame!
Have I failed my daughter?
Then let the father die!
And LET THE MONSTER RISE!
