Nathan: Dear Marni, I am so sorry
Can you forgive me for this... ?

Rotti: Not the Debt Doctor with the hungry scalpel!
Here's my prognosis, will they live?

Bodyguards: Doubtful.

Luigi: You're the Street Physician,
Carving flesh sculptures!

Pavi: Paint your ass like a Rembrandt!
Ha! You like-a that!

Rotti: Better start praying when you see him coming!

Luigi: 'Cause tonight it's curtains!

All: You're the Night Surgeon!

Background/Nathan/GenTerns:

Remember who you are... [I remember...] (Remember
what you did to Marni)
Remember who you are... [I remember!] (Remember
what you did to her!)

Rotti: See your knife!

Pavi: See it glide!

Luigi: See it slice!

Pavi: A-who's your Night Surgeon?

Rotti: Hope you have my money!

Pavi: Or it's "Bon Voyagee!!!"

Luigi: He'll do your ass like dishes!
Am-pu-ta-tion!

Background(Rotti, Pavi, Luigi)/Nathan/GenTerns:

Remember who you are... [I remember...] (Remember what you did to Marni)

Remember who you are... [I remember!] (Remember what you did to her!)

Remember who you are... [I remember...] (Remember what you did to Marni)

Remember who you are... [I remember!] (Remember what you did to her!)

Nathan: I remember every dying whisper,
Every desperate murmur...

I remember when I gaze upon her,
She looks just like you...

I remember, I remember!

I remember working every victim

With acute precision...

I remember every time I hold you,

My blunt companion...

I remember, I dismember!

'Cause the Claims Medic gives no anesthetic!

90 days delinquent gets you Repo Treatment!

I'm the masked horror on your street corner!

Make your mamma mourn you!

I'm a Night Surgeon!

I remember...
