Girls:

I can't feel nothing at all

Grave Robber:

Drug Market

Submarket

Sometimes, I wonder why I ever got in.

Blood Market

Love Market

Sometimes, I wonder why they need me at all.

Zydrate comes in a little glass vial

Shilo:

A little glass vial?

Girls:

A little glass vial

Grave Robber:

And the little glass vial goes into the gun like a battery

Girls:

(Panting)

Grave Robber:

And the Zydrate gun goes somewhere against your anatomy

Girls:

(Panting)

Grave Robber:

And when the gun goes off, it sparks, and you're ready for surgery

All:

Surgery...

Amber Sweet:

Grave Robber, Grave Robber

Sometimes, I wonder why I even bother.
Graver Robber, Grave Robber
Sometimes, I wonder why I need you at all.

Grave Robber:
And Amber Sweet is addicted to the knife

Shilo:
Addicted to the knife?

Girls:
Addicted to the knife

Grave Robber:
And addicted to the knife
She needs a little help with the agony

Girls:
Agony!

Grave Robber:
And a little help comes in a little glass vial
In a gun pressed against her anatomy
And when the gun goes off, Miss Sweet is ready for
surgery

Girls:
Surgery...

Amber Sweet:
Graver Robber, Grave Robber
Sometimes, I wonder why I need you at all.

Girls:
It's clean
It's clear
It's pure
It's rare [x6]

Grave Robber:
It's takes you there (x2)
Before you cut
A change inside

Amber Sweet:
I can't feel nothing at all
Feel alive!

Grave Robber:
(Whistles Blind Mag tune)

Amber Sweet:
So you think you got heart?
So you think you got balls?
So you think you Mag can sing?

Shilo:
I don't think nothing at all.

Amber Sweet:
So you think Mag has pipes?
Well, it's my turn to shine.
When the Repo Man strikes!

Shilo:
What are you talking about?

Grave Robber:
Mag's contract's got some mighty fine print

Shilo:
Some mighty fine print?

Girls:
Some mighty... fine... print

Grave Robber:
And that mighty fine print puts Mag in a mighty fine predicament
If Mag up and splits, her eyes are forfeit
And if GeneCo and Rotti so will it
Then a Repo Man will come
And she'll pay for that surgery
Surgery!

Girls:
I can't feel nothing at all(x6)
