Chorus 1

Now where do you go
When you come outside to meet me
Now where do you go
When we go out to eat
When you find you
When you find me
We could be something
Just come back to me

Now where do you go
When something happens to me
Now where do you go
When you seek into to me
When you find you
When you find me
We could be something
Just come back to me

Verse 1

Now give me chance to change this
A part of help could give this a little help
Im sorry for how long its taking me
It hard to find you Oh baby
Yeah
When you find you
When you look at me
You should see something
What is happening

Chorus 2

Now where do you go
When you come outside to meet me
Now where do you go
When we go out to eat
When you find you
When you find me
We could be something
Just come back to me

Now where do you go
When something happens to me
Now where do you go
When you seek into to me
When you find you
When you find me
We could be something
Just come back to me

Verse 2

When there is light we shine so bright
We seek into the night
Where are you
What are you doing
Your always busy
With work or your schooling
I'm trying to find our soul
It's flying, it's so old
Where are you
What are you doing
Is there still time
Can you fill me

Chorus 3

Now where do you go
When you come outside to meet me
Now where do you go
When we go out to eat
When you find you
When you find me
We could be something
Just come back to me

Now where do you go
When something happens to me
Now where do you go
When you seek into to me
When you find you
When you find me
We could be something
Just come back to me

Verse 3

I'm Missing You
I'm Crying Out Loud
What could I do
Rock To This Beat

Just Watch Me
I'm Sick Of This
What Are You Doing
I'm Trying Roll Alone
This Shit Is Getting Old
The Same Old Reason Are Coming So So Cold
I'm Stomping My Feet
With Anger And Was Pleased
It Felt So Good
Can You Listen To Me

Just Turn Off You Phone.
Turn Off The TV.
Listen To Me

Chorus 4

Now where do you go
When you come outside to meet me
Now where do you go
When we go out to eat
When you find you
When you find me
We could be something
Just come back to me

Now where do you go
When something happens to me
Now where do you go
When you seek into to me
When you find you
When you find me
We could be something
Just come back to me
