Daniel Garcia - I Been Laughing

Chorus 1

I been laughing all day

I been smoking it out

I been joking all day

But it went upside down

I don't know what to do

Im so confuse

Im helpless in a way that doesn't involve you.

Verse 1

Please give me more god Im telling the truth. Im not
lying about nothing Im Honest And True. Is There More I
Can Expect From You. Please Give Me A Sign
Requesting The Truth. Im grateful to be standing on my
feet.

Verse 2

Flying away Im getting dizzy. Im trapping over the
trappaling kickin it with the old homies.

Until sudden this thing happened to me.

Im feeling so lonely

Im hoping someone would of told me

Im mad at the world expecting to be mad at some girl.
