Evils procreation within the domains of Christ
Fornication a sacrilege to the rules of lies
These sexual blasphemies malign Jesus grace
We copulate... for Satan's praise
Crucifixes are penetrated into the whores cunts-
Ecstatic satisfaction is unleashed in gruesome grunts
And so we raise the goathead upon the altar
And perform obscene rituals as an avatar
On this night, in this hour we call upon the ancient
power
Now swallow his demons semen stream, from the
realms where Satan reigns supreme Blasphemous
intercourse in the chair of benediction
Inferiors are swallowing Satan's demons cold cum
The priests are forced to kiss the goat posterior
Unholy blasphemies, Satan thou art superior!
On this night, in this hour we call upon the ancient
power
Now swallow his demons semen stream, from the
realms where Satan reigns supreme
Evils procreation within the domains of Christ
Fornication a sacrilege to the rules of lies
These sexual blasphemies malign Jesus grace
We copulate... for Satan's praise
