## Requiem Aeternam "Logos"

From discord is born the broadest unity From confusion arises the widest serenity

War is the king of all Trial is the crown of the Lord

Hide your folly Show your darkness

The one that is always
The always who is by now
The now that is hiding
The hiding who is the one

Logos

Wisdom is common Wisdom of bitterness Wisdom is one Wisdom of loneliness

The one is made up of everything Everything issues from it's completion

Fire will judge the appraisers Fire will sentence even God

This world in vain
The sabre in pain
This bow of aim
The wound of claim
