Miracles

[from Maid In Manhattan soundtrack]

If only you believe like I believe baby

We'd get by

If only you believe in miracles baby

So would I

If only you believe like I believe baby

We'd get by

If only you believe in miracles baby

So would I

I might have to move heaven and earth

To prove it to you baby

So we'll make love

When you feel the power

And I feel the power

Then there's really nothing we can't do

If we wanted to

You know exist on a side

It'd be so easy

Oh oh oh

All we gotta do is get a little faith in you

If only you believe like I believe baby

We'd get by

If only you believe in miracles baby

So would I

If only you believe like I believe baby

We'd get by

If only you believe in miracles baby

So would I

I can't hear windmills and rainbows

Whenever you're walking with me

And I feel like swirling and dancing

Whenever you're walking with me

You feel like a river

When I touch you

When I pluck your body like a string

When I started dancing inside you

It makes me wanna sing

Oh baby

Oh I need you

Oh baby

I need you  
I need you my baby  
Oh yeah all right  
Baby we can do it tonight  
Oh yeah all right  
Baby we can do it  
Baby we can do it tonight  
If only you believe like I believe baby  
We'd get by  
If only you believe in miracles baby  
So would I  
If only you believe like I believe baby  
We'd get by  
If only you believe in miracles baby  
So would I
