

## **Requiem Aeternam "Rectitude"**

Visit "[Rectitude](#)" on [MotoLyrics.com](https://MotoLyrics.com)

Everything is vanity  
Phenomenal life  
Order comes from chaos  
Human being annihilation

Nonexistence is the existence without attributes  
No qualities, no activity as far as meditation

Right view, right livelihood, right speech, right intention  
Right action, right mindfulness, right effort, right  
concentration

Individual soul is an illusion  
Separatism: root of all evil  
Universe comes from nothing  
Feelings arise from ignorance

Nonexistence is the existence without attributes  
No qualities, no activity as far as meditation

[Chorus]

Renunciation of desires  
Tale of everlasting day  
The salvation of the anguish  
Labyrinth of mortal clay  
Aspiration, pronunciation  
Truth and justice, all in vain  
Desperation, desolation  
Will be returned to the men

Illuminate me

[Chorus]
