Won't you understand
That we don't give a shit what you demand
Your values never meant anything to us
We don't give a shit

Petitions signed, parents standing in a line
Just to stop their kids who wanna hear
What we have to say

When you were a little younger
Your dream was to become a rocker
Now it seems that it's what you hate
I never will
Go to hell
It's what my friends want me to tell
What you do is what I hate
I hate you

[Chorus]
Go away, I don't want you on my tape
Go away, I don't want you in my face
Go Away, I don't want you on My tape
Fuck the pmrc

Tipper won't you understand
The message that I want to say
It's kind of rude but here it goes it's fuck you
I don't like what you do
And I don't like you

[Chorus]
Go away, I don't want you on my tape
Go away, I don't want you in my face
Go Away, I don't want you on My tape
