Cant close my eyes
Ashamed I let you down tonight
I couldn't find the words to say
So I guess I'll have to wait
Until your sound asleep and then I'll say
That I'm sorry you should never have to be
Disappointed with me in any way
Not when you deserve everything

A fallen star
Fell in my arms tonight
I'm afraid I wont get it right
Cause your beautiful

And all I have to give
Are the pathetic words I wrote in this song

Please understand you do everything for me
There's not a second that goes by that I don't think
I love you more than anything
So close your eyes
I hope you sleep ok tonight
Just know that I'd bleed if you asked me to
I swear anything for you
