They can make things worse for me

Sometimes i'd rather die

They can tell me lots of things

But i can't see eye to eye
I know they always will
Well, i know they know the way i think

But someday i'm gonna change my mind

Sometimes i'd rather kill

Bloodstains - speed kills

Fast cars - cheap thrills

Rich girls - fine wine

I've lost my sense - i've lost control - i've lost my mind

Things seem so much different now

The scene has died away

I haven't got a steady job

Well, it's a futuristic modern world
And i've got no place to stay

But things aren't what they seem

Someday you'd better wake up

From this stupid fantasy
