I'll be your montague
You'll be my capulet
In a world so far away
That there is no one but you and me
She's dreaming but i can't sleep
Cause i'm wishing she was beside me
It doesn't have to be this way
You could wake up here right next to me

When you're
With me
It seems
Like nothing could come between
The two of us

We'll make it through
You're there for me
I'll be there for you

Every word i write for you
Every word i write is true
There is nothing for me to find
Cause i'm lost inside your eyes

Please catch me i'm falling
For a girl that i hope i was meant for
Please don't say your sorry
You look so beautiful when your
