Under the glitter
Behind the glamor
Beneath the surface
Everybody looks the same
Naked and broken
All of us fallen
Striving for purpose
Simply trying to find our way
Hoping and longing

Chorus
Everyday people
Are reaching
For something to believe in
Everyday people
Are pleading to be loved
Everyone's needing

The grace that
Spans across the ages
To find
Everyday people

Sisters and brothers
Loving each other
Sharing the burdens
Weighing heavy on our hearts
Lovers of mercy
Showing compassion
Offering forgiveness
'Cause we've all been torn apart
Wounded together

Chorus
