Come on!

Raising my family
raising my family
really got to be me
raising my family
in my own direction
in my own direction
make the real connection
in my own direction
ooh, with my family

Guess I'm gonna be OK
guess, I'm gonna be alright
with my family here beside me
my family's here to guide me
guess I'm gonna be OK
guess, I'm gonna be alright
with my family here beside me,
day and night

Nice and happy and shiney
She's calde mamy and I need her badly
Strong and loving and mighty
he's called daddy an I love him madly

Raising my family
raising my family
really got to be me
raising my family
in my own direction
in my own direction
make the reconnection
in my own direction
ooh, with my family

Guess I'm gonna be OK
guess, I'm gonna be alright
with my family here beside me
my family's here to guide me
guess I'm gonna be OK

guess, I'm gonna be alright
with my family here beside me,
day and night

One is funny and clumsy
the other is naughty like me
twins, mummy and daddy
they are my fabulous family

Guess I'm gonna be OK
guess, I'm gonna be alright
with my family here beside me
my family's here to guide me
guess I'm gonna be OK
guess, I'm gonna be alright
with my family here beside me,
day and night

Nice and happy and shiny
She's called mummy and I need her badly
Strong and loving and mighty
he's called daddy and I love him madly

One is funny and clumsy
the other is naughty like me
twins, mummy and daddy
they are my fabulous family

Guess I'm gonna be OK
guess, I'm gonna be alright
with my family here beside me
my family's here to guide me ... (x3)

Guess I'm gonna be OK
