Buried alive  
I can't breath  
Hear my cry's  
Feel my screams  
Where I am  
I can't see  
Buried alive  
Help me  
The panic  
The fear  
What am I doing here  
Darkness

The cold  
Left here alone  
I'm fading away  
So afraid  
Loosing my mind  
Don't let me die  
Lost between  
Death and reality  
Let me die  
Take my life  
Buried alive  
Help me

It covers me  
Beneath the ground  
Concealing me  
Can I be found  
Defining  
Are the sounds  
Dark, cold  
Suffocating

Pain it breaks me down  
The sound of my heart pounding  
Heavy to my core  
It breaks me down  
The thoughts in my head as I lay here left for dead  
Take me now  
The panic and fear overcome by sense of calm

Crying out  
One last time while I make my peace

It covers me  
Beneath the ground  
Concealing me  
Will I be found  
Defining  
Are the sounds  
Dark, cold  
Suffocating

It covers me  
Beneath the ground  
Concealing me  
Can I be found  
Defining  
Are the sounds  
Dark, cold  
Suffocating
